\* \* \*

In accordance with 37 CFR § 1.98 (3), this information disclosure statement includes:

☒ (i) a concise explanation of the relevance, as it is presently understood by the individual designated in 37 CFR § 1.56(c) most knowledgeable about the content of the information, of each patent, publication, or other information listed that is not in the English language. The concise explanation may be either separate from the specification or incorporated therein;
